

THE LEADERS IN ELECTRONIC STUDENT DIARIES

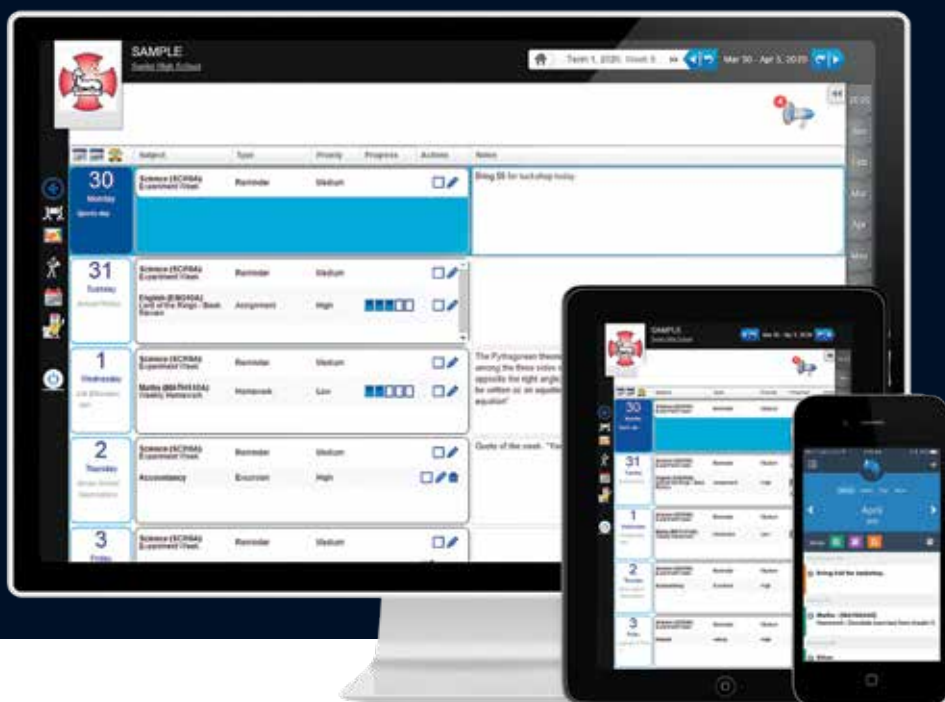

YOUR SCHOOL DIARY. REIMAGINED.

INTRODUCING

MyEDiary

MyEDiary is an alternative to paper school diaries, combining school communication, homework and time management for teachers, students and parents.

MUCH MORE THAN A DIARY

Working in unison with your school's digital ecosystem, MyEDiary bridges the gap between the classroom and the home to deliver to students and their parents a consistent experience around homework, events and communication.

Homework Management

School Communication

Time Management and Organisation

SIMPLIFY HOMEWORK MANAGEMENT

Teachers can instantly assign homework to the entire class, group or an individual. Parents have access to all set homework.

Central location to manage homework for all classes and student groups

Student progress and homework reports

Enable parents to access all homework and related resources

Simple dashboard that's easy and intuitive for staff

STREAMLINE COMMUNICATION
